Dear Parent/Guardian,

Re: PE Kit Policy

I am writing to confirm a change in policy regarding PE kit. Currently, the policy states that only black rugby socks with gold stripe turnover are acceptable. This policy has now been amended, with immediate effect, to include a white sport sock that covers the ankle.

To be clear, students have an option to wear black rugby socks with gold stripe turnover or short white socks that cover the ankle. Black rugby socks with gold stripe turnover should be worn when participating in rugby or football. However, when taking part in other activities students are permitted to wear white sports socks that cover the ankle. If a student attends a PE lesson without the appropriate change of socks, as explained above, PE staff will apply the Academy Behavior Policy with regard to lack of equipment.

Some examples of what is permitted and what is not permitted can be seen below.

Yours sincerely,

Mr L Paskin
