Dear Year 11,

**Re: RSA Pathways**

Please see below a link to a special edition 'RSA Pathways' newsletter. The main aim of the newsletter is to give access to as much information as possible regarding apprenticeships, employability skills, local college courses and careers advice to those of you that have chosen not to stay on into the Sixth Form with us, but the links are equally interesting for those who will be returning to us to study at our 6<sup>th</sup> form.

Here is the link to the Y11 newsletter:

This information, along with Mrs Batra's continued support through the dedicated careers time on Teams, which will take place every Monday between 2pm and 3pm, aims to support our Y11 students and ensure that they continue their educational journey in the setting most suited to their desired career.

Kind regards,

**Mrs K Branford**  
**Associate Assistant Principal – Head of Post 16**
