Dear Parent / Carer,

Re: Final Week of Y10 Provision

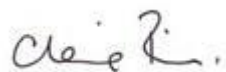

You will have heard on the news the announcement by government that all students, in all year groups, will be expected to return to school as normal in September. In order to prepare for this, including the reformatting of parts of the school building and movement of furniture, this week will be the final week of the Y10 core curriculum provision, with the final sessions taking place on Thursday 9th July.

We have been very happy with not only the attendance of Y10 students to the sessions, but also the quality of work produced in them. I would like to extend my thanks to you as parents and carers, for trusting us to provide a safe and clean learning environment as well as important learning to prepare your child for their final year of GCSE study. We will be spending the coming days making sure the site is ready so we can receive all students back in September. More information about the first couple of weeks back will be coming out to you in the next few days.

If you are a critical worker and have a child in Y10 currently attending this provision, this will continue, and your child should attend as normal until the end of term on Friday 17th July. In addition, remote learning will continue to be set for all students until this date.

Thank you again for your support during this difficult time. I look forward to welcoming your child back to school in September.

Best wishes,

Claire Price
Principal
