Dear Parent / Carer,

Re: Summer Challenges

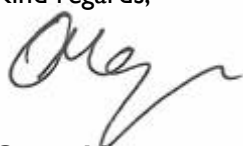

Over the past 8 weeks, I have been very impressed with the level of engagement with the weekly challenges that have been set to compliment the curriculum during lockdown. In particular, I have been amazed with submissions for the photo competition, they have been brilliant!

We are keen to continue with this enrichment work over the summer holiday and hope to show case some of this work in September. The challenges will include English and reading activities, opportunities to develop maths and numeracy skills, physical tasks to support wellbeing as well as a chance to be more creative.

Your child's Tutor will be posting the challenges in their form groups Microsoft Team on Friday 17th July. As before, we are very keen to see the attempts and achievements to the challenges so, please encourage your child to send us pictures enabling us to share and celebrate with them. All pictures will need to be sent to tiptonchallenges@rsaacademy.org.

Have a good summer.

Kind regards,

Owen Morgan
Vice Principal
